

Space Coast  
International School

# Let's Camp!

Morning or afternoon  
sessions

June 1th - July 30th

8am - 11am or 1pm - 4pm

\$120 per weekly session

Join us for JOYFULL  
learning!

## OUR PROGRAM

**Let's Build!** Students will engage in building with legos. Expert demonstrations will take place so kids can gain a deeper understanding of how building with legos works.

**Let's Read!** Students will choose books that they want to read from our school library. Each day a model book will be read to emphasize reading comprehension. Reading assessment is available; inquire for details.

**Let's Move!** Students will engage in a variety of outdoor and indoor games.

**Let's Make!** Students will innovate, iterate, using the design process using recycled products, Makey Makey and/or Scratch online coding culminating in a SCIS Shark Tank event.

**INSPIRE – IGNITE – INQUIRE**
